EVERLASTING SOPHISTICATION

ABOUT COMPANY

15 Years and we are still super-charged!

It took us time, technology and tenacity to create impactful solutions with Flexible UV Sheet and their designs. RAMA Flexible UV Sheet is in the forefront of innovations of Real Plast. Blending incredible designs with Real Plast, Eva Bond and Decor Plast into creative solutions-based applications; our world-class products exude confidence of 15 years.

Our great state-of-art manufacturing unit at Tajpur, Gujarat is incorporated with updated infrastructure, revolutionary imported machinery, highly skilled employees assisted with quality-control and process- driven systems of manufacturing and distribution.

These are mainly seen in our primary focus products like PVC laminates, Flexible UV Sheets and 3D Panel. All our products are recyclable, sustainable and durable.

Bringing all these together, we ensure that our customers expectations are highly matched. Contemporary trends and design applications gives us better leads on the customer perspectives which we have always been able to fulfill sustain-ably.
