

Premium Wood
SERIES | MATT FINISH

rama®
PVC LAMINATE

Experience makes sense of our past,
brings in clarity of purpose for today

PREMIUM
WOOD SERIES

Gather all the woods and smell them deep. Those who love the natural colors of the wood can vouch for this Premium Wood series. The textured effect of the wood is greatly imposed on the laminates thereby giving you a perfect excuse to 'log' up your space with more wood without worrying about them.

Lavish

RL 416
HEARTWOOD BROWN

- 90° Bendable
