

Enhancing decor naturally

SILKY WOOD SERIES

Why get all roughed up thinking about wood? Whatever you have thought of wood so far, with this silkwood series you are going to drop off all the rough edges for sure! With silkwood series not only do you get silky luster on the surfaces but also get that great bendable way of treating your furniture or spaces with a creative long straight vessel design that outshines others in many ways.

- 90° Bendable
- Color Core
- Water Proof
- Anti-Borer
- Non Toxic
- Fire Retardant
- Anti-Termite
- Eco-Friendly
